

An exceptionally stable, aerodynamic, touch-profile racquet for tournament players. Its headlight design allows for superior racquet head speed and maximum spin potential.

Product Details

Intended for tournament level players who prefer a headlight balance for maximum racquet head speed and spin potential. In spite of its balance, this racquet still has plenty of pop, and its forgiving, responsive string-bed only makes it better.

Specifications

Area: 98 sq in / 632 sq cm
Wt (strung): 11.1 oz / 315 g
Beam: 22 - 23.5 mm
Balance: 5 pts Headlight
String Pattern: 18 x 20
